

# Triple/Quad Grid & Electromagnetic Harmonization

## The Triple Grid

This is for keeping areas like your home, workplace or car energetically clean. In the Triple Grid technique you ask the specific group to set up their level of the grid, designating the geometric shape, size and location. Spherical grids are the most stable and easy to maintain, so we suggest working with this geometry for most everyday applications (such as around your home, car or workplace). You will want to renew the grid weekly or whenever you notice the energy getting funky.

“Legions of Michael: grid level one, spherical, **<my house, office building, etc.>**. Destroyer Force Angels: grid level two, spherical, **<my house, office building, etc.>**. Circle Security: grid level three, spherical, **<my house, office building, etc.>**.”

“Destroyer Force Angels: please spin your grid, spinning out astral entities, adverse electromagnetic frequencies, fear, disharmony, anger, adverse astrological influences, expectation, frustration, viruses, fungi, bacteria, worry, astral distortions, miscommunication, sadness, enemy patterning, scarcity, loneliness, karmic monads, and anything that distorts the spiritual signature or clear communication with Spirit. Spin out anything that hasn’t been mentioned in this or any other language, but which you know needs to leave the space at this time.” (These are just a few suggestions. Fill in whatever is needed according to your situation).

When the clearing feels complete, continue with, “Reverse spin, same stuff.” When that feels complete, end with, “Stop spin. Thank you.”

“Legions of Michael, please infuse your grid with the energies of Grace, Purity, Faith, Hope, Peace, Liberty, Harmony, Love, Mercy, Alpha/Omega, Rapture and Victory Elohim. Infuse with love, intimacy, the Unified Chakra, being centered, clarity, full connection with Spirit, tolerance, clear communication, health, wealth, following Spirit without hesitation, mastery, sovereignty, living Heaven, and anything else that hasn’t been mentioned in this or any other language, but which you know needs to be in the space at this time. Please seal your grid. Thank you.” (Again more suggestions. Fill in whatever you need, according to your situation.)

“Circle Security, realign your grid to harmonize with upper-dimensional gridworks. Release all distortions and parasites on the grids. Infuse frequencies for clearer communication with Spirit. Seal grid. Thank you.”

The Triple Grid can be done around a location *without you being physically there*. Try doing it around the mall, the courthouse, the grocery store or the post office, before you get there. Remember that it cannot be used to manipulate others; it just makes particular energies more or less easily available. This is a very versatile technique. We have given you the everyday applications. The spherical geometry is very stable and easy to maintain. Live in it all the time and it will be easier to live centered in your own Spirit.

The Triple Grid should NOT be used around your own fields, as the speed with which the Destroyer Forces spin might cause your own fields to fray. (See the Triple/Quad Grid: Individual Field Version below for a technique to grid your own fields.)

## “Quad Grid” Version

This is an expansion of the Triple Grid, where you request assistance for dealing with the electromagnetic anomalies and surges that are currently very active on the planet. As the planet approaches Zero Point magnetics, electromagnetic surges are very common. This addition to the Triple Grid will help you keep your fields healthy through the planetary shifts.

The Ze’Or Continuum is a group of beings who originate from another universe. They are pure-energy beings, and they are the sentient embodiment of physical forces, such as gravity, electricity, magnetics, thermals, etc. They have come to assist Earth and her inhabitants through the electromagnetic shifts we are experiencing preparatory to Zero Point. They are always available to assist upon request.

Basically, you request the Triple Grid as normal, adding a line in the beginning: “Legions of Michael: grid level one, spherical, **<my house, office building, etc.>** Destroyer Force Angels: grid level two, spherical, **<my house, office building, etc.>**. Ze’Or Continuum: grid level three, spherical, **<my house, office building, etc.>**. Circle Security: grid level four, spherical, **<my house, office building, etc.>**.”

Proceed with the grid, requesting the Destroyer Force Angels to spin their grid, the Legions of Michael to infuse it. Then, you request the following:

“Ze’Or Continuum, please set your grid for harmonization and optimization of electrical, magnetic, and gravitational frequencies. Please ensure that my fields remain harmonized with all of the electronic and mechanical devices in my space, and that I and the devices in my space remain harmonized in frequency with any electromagnetic surges, ley-line activity, Schumann Resonance, and any other electro- magneto-gravitational events and conditions occurring in this area. Thank you.”

You then request Circle Security to seal the grid as normal.

**For a quick EMF adjustment**, such as when you are working near computers and other electronic devices (including the chips in your vehicles, pagers, cellular phones, cordless phones, etc.):

“Ze’or Continuum (or Spirit), please assist: please harmonize the frequencies of all electromagnetic emissions and devices in my space to my fields.”

## Triple/Quad Grid: Individual Field Version

The Triple/Quad Grid (Individual Field Version), is a good one to use when you’re outside, when you’re traveling between gridded spaces, or anytime you feel you need to get clearer. It can be infused into a crystal and worn around your neck or on your person; when you feel like renewing the Grid, just request the deva of the crystal to “Renew Individual Grid.” You might need to do a full version once a week—otherwise, renewing it one or more times a day can be done as outlined above and is still effective. You can also add the optional Ze’Or Grid, as outlined in the Quad Grid section of the “Triple Grid: Field Version”, above.

“Legions of Michael: grid level one, spherical, my fields. Grace Elohim: grid level two, spherical, my fields. Circle Security: grid level three, spherical, my fields.

“Grace Elohim: please fill your grid with your energies, releasing astral entities, adverse electromagnetic frequencies, fear, disharmony, anger, adverse astrological influences, expectation, frustration, viruses, fungi, bacteria, worry, astral distortions, miscommunication, sadness, enemy patterning, scarcity, loneliness, karmic monads, and anything that distorts the spiritual signature or clear communication with Spirit. Release anything that hasn’t been mentioned in this or any other language, but which you know needs to leave my fields at this time.” (These are just a few suggestions. Fill in whatever is needed according to your situation).

Then, “Spirit: I ask you to release all energies, entities, thoughtforms, emotions, cellular memory, orientations, pictures of reality, devices, intrusions and effects in my body and fields that are not of my core Divine essence, NOW!”

When the clearing feels complete, “Thank you.”

“Legions of Michael, please infuse your grid with the energies of Grace, Purity, Faith, Hope, Peace, Liberty, Harmony, and Victory Elohim. Infuse with love, intimacy, the Unified Chakra, centeredness, clarity, full connection with Spirit, tolerance, clear communication, health, wealth, following Spirit without hesitation, mastery, sovereignty, living Heaven, and anything else that hasn’t been mentioned in this or any other language, but which you know needs to be in my fields at this time. Please seal your grid. Thank you.” (Again more suggestions. Fill in whatever you need, according to your situation.)

“Circle Security, realign your grid to harmonize with upper-dimensional gridworks. Release all distortions and parasites on the grids. Infuse frequencies for clearer communication with Spirit. Seal grid. Thank you.”
